Annual Garden Club Spring Flower Show Scheduled Saturday

The Hamlin Garden Club's annual Spring Flower Show will be held at the high school gymnasium Saturday, April 24, from 3 p. m. to 7:30 p. m.

Theme for the show is "Nature's Treasures". The divisions will be: Horticulture, Artistic, Junior Gardeners, Education and Commercial.

Entries in the potted plant section will be accepted from

3 to 4 p. m. Friday, April 23. All other entries will be accepted from 9 to 10 a. m. Saturday and picked up at the close of the show the same day.

Late entries will not be judged but will be displayed separately.

The standard system of judging will be used. No District VIII Conservation material may be used and no artificial flowers or foliage are permitted in any class.

Mrs. M. T. York is general show chairman. Assisting her as chairmen of committees are: Mrs. Joe League, scheduling; Mrs. R. D. Moore, staging; Mrs. Richard Young Jr., properties; Mrs. Dick Ma-

berry, placement; Mrs. W. B. Britton, judges; Mrs. R. D. Moore, clerks; Mrs. Arlie Cassle, entries; Mrs. B. H. Gardner, junior gardeners; Mrs. B. B. Colwell, hospitality.

The show is open to the public. Admission is 50 cents. Students will be admitted free.

First Baptist Church Revival To Open Sunday

Sunday, April 25, will initiate the series of revival services of the First Baptist Church of Hamlin. The evangelist, Rev. Henard East, will arrive on Monday and continue through the following Sunday, May 2.

The Rev. East was formerly pastor of this church. He is now pastor of the First Baptist Church of Arlington where the membership has more than doubled under his ministry since 1951. Other pastorate have been held at Knox City, Tulsa, and Kingsville. He is a native of the Plains of Texas, born at Plains and attended school at Hereford. He is a graduate of Hardin-Simmons University.

Revival preparation has been extensive within the church organizations. The deacons have sponsored neighborhood prayer meetings and visitation of the membership. The Sunday School has visited prospects and set high attendance goals for both Sundays of the meeting.

Special recognition of church groups will be made each evening of the revival. Monday will feature the Training Union leadership and members; Tuesday, the W. M. U.; Wednesday, the Sunday School; Thursday, the Brotherhood; Friday, the Young People; and Saturday will be family night.

Music will be under the direction of Bill Keck, minister of music and education for the church. A special Revival Choir will be made up of combined choirs from intermediate, young people and adults.

The Rev. Bryon Bryant, pastor, states that there is anticipation of a significant response to this revival effort. The church membership is expected to be enlisted, the unaffiliated reached, and the entire community is invited to participate.

Mr. and Mrs. E. B. Watson visited with his sister, Mrs. T. A. Young and Dorothy Barrington, in Hurst this weekend.

1965 Piper Annual Dedicated To the Late Fred B. Moore Jr.

The 1965 Piper was delivered to students at Hamlin High School last Wednesday boasting 16 extra pages, padded covers, a protective plastic cover, and numbered pages as added features to this year's edition.

Theme for the yearbook is "TIME". It is dedicated to the late Mr. Fred B. Moore Jr., longtime president of the Hamlin School Board.

Honored in the publication were Barbara Graham, Piper

Queen; Scotty Brown and Cynthia Stephens, Carnival King and Queen; David Drummond and Mary Lois Patterson, Mr. and Miss H. H. S.; Nancy Ford, Homecoming Queen; Mrs. Kenneth Riddle, Ex-student Queen; Larry Simpson, Football Hero; Barbara Graham, Football Sweetheart; Nancy Ford, FFA Sweetheart; Stanley Smith, FFA Beau; Mary Lois Patterson and Jack Townley Jr., John Philip Sousa Band Award.

Mrs. L. R. Fowler was advisor. Members of the staff were: Jack Townley Jr., editor-in-chief; Judy Jenkins, assistant editor-in-chief; Mary Margaret Turner, business manager; Glenda Hudspeth, advertising manager; Sally Carlton, sales manager; Connie Duncan, layout editor; Gary Cauble and Linda Legan, assistant layout editors; Mary Lois Patterson, copy editor; Margaret Ann Johnson, assistant copy editor; Holman Jones, pictorial editor; Robert Moore, assistant pictorial editor; and Allen Cumbie, sports editor.

The staff is expressing their appreciation to all those who made the yearbook outstanding. They give sincere thanks to Tim Jones who took most of the pictures appearing in the annual.

Also they are most appreciative of the 73 advertisers of Hamlin, Neinda and Abilene who made the annual possible.

(Gracie) Maberry of Hamlin, Mrs. Roy (Opal) Harvick of Tahoka; one sister, Mrs. Bell McKeefer of Temple; two stepdaughters, Mrs. Gene Presnall of Midland and Mrs. Charles Rogers of Dallas; 17 grandchildren and 27 great grandchildren.

Pallbearers were Leroy Kennedy, Cecil Richardson, W. C. Moore, Ray Huling, W. W. Fletcher and Jess Petty.

Mr. and Mrs. Grady Allen, Barry and Lane visited in Moran with her father, J. D. Johnson and her brother, James Johnson.

The following message to the citizens of Hamlin from the City Council urges everyone's cooperation in the coming Clean-Up Campaign:

Spring Clean-Up is only as effective as "YOU" make it. Each citizen has the responsibility to make living conditions in Hamlin safe for the health and well being of everyone.

Take pride in your community, make it a place where others would like to live. A dirty town is not an attractive town. If everyone will take the responsibility of helping with this clean-up, it will add to the health and security of every person living in Hamlin.

Remove all breeding places for flies or mosquitoes. Clear out the weeds and brush, which collect papers and cans, which in turn breed disease.

The City trucks will pick up all trash and debris placed in containers on the alleys. The trucks will start picking up May 10th. Please have all trash, brush and weeds stacked or in containers in the alley, not later than May 10.

If you do not want it hauled off, please do not put it in the alley.

AS IT LOOKS FROM HERE—

Second in Series on Basic Law

Omar Burleson, M. C.,
17th District, Texas
WASHINGTON, D. C. — Sec-
ond of a series on the basic
origin of Law.

APPLYING THE LOGIC OF LAW

The 18th century lawyer
and writer Bastiat, in his com-
mentaries of about 1830, made
no mention of "rights" under
law, human rights, social
rights, employment rights, ci-
vil rights and majority rights.
Obviously he felt that no such
"rights" exist, except those per-
tainable to our three God-
given rights of life, liberty
and property (discussed last
week.) If, as Bastiat indicates,
these three basic rights are
not conferable upon the in-
dividual by man-made laws,
where else would they origi-
nate? To whom would they
apply and to what degree?
For example, with the consent
of an employer, no man can
be denied the right to work.
Without the consent of an
employer, no man can acquire
the right to work. Hence, the
term "right to work" becomes
meaningless under this logic,
as do all these other "rights"
above referred to.

Following this line of rea-
son it seems necessary to dis-
tinguish the difference be-
tween rights, which every in-
dividual possesses (life, liberty
and prop-ty) and privileges,
which desired persons may be
granted, or, qualified persons
may acquire through a mu-
tually acceptable arrange-
ment with other men.

In a Republic, all economic
exchanges between individuals
are mutually voluntary. If this
concept is maintained, how
can the owner of property be
denied the right to sell to
whomever he chooses, on
whatever terms are agreed on
between the seller and the
purchaser, and for whatever
reason he chooses? The eco-

omic facts of supply and de-
mand are no respecter of per-
sons. It works the same for
everyone. Persons who are un-
able to conduct exchanges
with proprietors of property,
goods or services, thus gener-
ate a demand to initiate like
businesses for themselves and
conduct those enterprises for
profit. Many do exactly this
and the general economic well-
fare is improved. Others seek
law to compel privilege, or
they mill in mobs and demon-
strate. For what? Mostly it is
difficult to know just exactly
what, because of the many
motives seemingly involved.

Assume, however, it is en-
tirely a demand for relief
under law to assure that pas-
sage of the Declaration of In-
dependence, the theme of
which is that "all men are
created equal". If the sentence
is kept in the context in which
it was written, it has nothing
to do with people as individ-
uals. Rather, it proclaims
that "governments derive
their just powers from the
consent of the governed . . ."
— not from the "divine right
of kings." It told the British
Crown that our fathers were
not born with inseparable
bond and allegiance to any
king — not even the King of
England — and were, in fact,
his equals in that regard.

The "EQUAL" here used
has nothing to do with the
equality of one individual
with other individuals — it
has nothing to do with spiri-
tual equality, equality with
respect to senses, faculties,
health, fingerprints, ear lobes
or economic potential.

Whether it should mean
these things can be argued
endlessly, taking whichever
viewpoint on which one may
have convictions.

THE POINT HERE IS,
CAN "RIGHTS," beyond
those concepts discussed by
Bastiat, be legally, by force,
imposed upon individuals for
the benefit of special privilege
to others?

Law is more than just a
judicious guide for Legisla-
tors in times like these. It is
a lamp of liberty.

County Judge Speaks to CB's

County Judge Leon Thur-
man spoke on the use of citi-
zens band radio in Civil De-
fense at the Monday evening
meeting of the Airways CB
Radio Club.

Judge Thurman stressed the
need to maintain communica-

FAIRVIEW NEWS

by Mrs. Elmer Joiner
Easter Sunday came as a beautiful spring day, making an ideal time for all of the little girls, as well as the big ones, to wear their Easter finery. We had the largest attendance, at our church, in a long time, but still had a lot more empty pews than filled ones. Had several visitors. Had not exactly visitors, just old friends back for Easter.

The only thing to mar the Holy Day spirit was the fact in the back of the farmers minds that it was Easter time and we had not received any rain to speak of. You always think of rain around that time and when it fails to arrive you wonder if it is going to rain in time to plant a crop. We have not given up yet, we are still expecting it to rain just any day, by the time this is printed water may be running every where. It doesn't cost a penny to be optimistic.

It was so good to see Mr. and Mrs. Jimmy Holmes and little daughter, in church Sunday. They had come to spend the holidays with his parents, Mr. and Mrs. Flavil Holmes. Was their first visit since his recent illness, he is back at work again.

Mr. and Mrs. Joe R. Rosenbaum, of Pampa, were also in church Sunday, spending some of the holidays with his parents, Mr. and Mrs. Fred Rosenbaum.

Mr. and Mrs. Marvin John-

son, Bruce and Barry, of Amarillo, spent a few days with their parents, the M. S. Johnsons and Winson Grays, but returned home Saturday.

Mr. and Mrs. Clois Henry, of San Angelo, and children, spent Friday night and Saturday with his parents, Mr. and Mrs. E. A. Henry.

Mr. and Mrs. Jimmy Joiner, Jeannie and Ronald, Stamford, spent the week end in Hamlin also, combining business with pleasure, visiting his parents, the Elmer Joiner and hers, the Bailey Meeks.

Mr. and Mrs. Joe Ford went to Hamlin, Sunday, and ate lunch with their son, Mr. and Mrs. Joe E. Ford and children.

Rev. and Mrs. Kenneth Leverett, Kimmy and Kristy, went to Abilene after services Sunday night, to see her mother, Mrs. Tanner and Larry. Mrs. Leverett celebrated her birthday, Monday, with a family picnic at the park, in Abilene. She didn't say just how old she was, probably slipped her mind, since it usually does that, when it comes to our age.

Mrs. Elmer Joiner went to Childress, Thursday, with Mrs. Mary Y. Newberry, to the district Home Demonstration Club meeting. Mrs. H. A. Haynes, council chairman, had a freak mishap Wednesday afternoon and could not attend. A wasp stung her on the back of the neck and she was

in the Anson Hospital, Thursday.

Mr. and Mrs. Henry went from church services, Sunday, to her sisters, Mrs. Obie Wright, who lives over Rotan way, for lunch, and an afternoon of visiting with Mr. and Mrs. Wright and other relatives. They got back in time for services Sunday night. Mrs. Henry can hardly talk, but she is feeling pretty good once again.

Mr. and Mrs. Jim Leslie, Lubbock, spent Saturday night with Mr. and Mrs. Elmer Joiner. They had come to Hamlin to attend funeral services for Mr. Leslie's half brother, Mr. Tom Daniels, who died suddenly Saturday. They are former residents of the Hamlin area, living here before moving to Lubbock.

The Easter egg hunt, followed by supper, at the church house, was held as scheduled, and a good crowd attended, all having a nice time.

We are happy to report that the little son of Mr. and Mrs. Bill Jones, Jimmy, who had heart surgery two weeks ago, has already gone home, having made a remarkable recovery from the long, tedious operation. The Bill Joneses live in Sherman, where he is with the Highway Patrol.

Mr. and Mrs. Mel Jones were back with us Sunday, for the first Sunday since moving to Hamlin, for Sunday School and church. They are really happy over the wonderful results of the little grandson's surgery.

David Brown In Field Training

STUTTGART, GERMANY—Army Specialist Four David L. Brown, son of Mr. and Mrs. L. C. Brown, Sylvester, took part in a medical field training exercise conducted by the 30th Medical Group in Germany April 2-8.

Specialist Brown participated in various maneuvers designed to evaluate mass casualty and medical evacuation procedures.

Brown, a medical specialist in the group's 485th Preventive Medicine Unit near Stuttgart, entered the Army in September 1963 and completed basic training at Fort Polk, La., before arriving overseas in March 1964.

The 24-year-old soldier is a 1958 graduate of Roby High School and received his B. S. degree in 1963 from Sul Ross State College in Alpine.

The potter's wheel is believed to have been invented before wheeled vehicles.

PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

Water is a problem with many West Texas communities, but Childress is solving it with an ambitious program. In connection with neighboring towns, there is a \$6 million dam and reservoir starting soon... under construction a \$4 million pipeline from the water supply to the city... and a pipeline from the city. Add such things as a remodeled City Auditorium with convention facilities... vapor lamp street lighting downtown and on highways through town... remodeled Chamber of Commerce offices... over \$400,000 in Church construction... new lounge at the Airport... and modernizing of many business buildings. Scheduled for the immediate future are a school bond election... expansion of State buildings... and a new hospital. The Childress record is a PATTERN FOR PROGRESS in "community development," improving chances for continued economic growth and attraction of new industry plus making it a better place to live, work and play. Growth conscious towns are invited to contact their local WTU manager for assistance from our area development representatives.

Sue Johnson and Edward Townley To be Wed in June

Mr. and Mrs. Weldon Johnson are announcing the engagement and approaching marriage of their daughter, Fairley Sue, to E. Edward Townley of Abilene.

The wedding will be June 20 at 4 p. m. in the First Baptist Church.

The bride-elect is a graduate of Hamlin High School and is attending Abilene Christian College, Abilene.

The prospective bridegroom is the son of Mr. and Mrs. Vesta L. Townley of Honolulu, Hawaii, formerly of Hamlin. Townley attended Hamlin High School and was graduated from Reno, Nevada, High School. He is now a student at ACC and is employed at the Abilene Post Office.

Penny Hofeldt and Richard Strother Set Wedding Date

Mr. and Mrs. Ross B. Hofeldt of Sioux City, Iowa, have announced the approaching marriage of their daughter, Penny, to Richard K. Strother of Farmington, New M., son of Mr. and Mrs. Jeff K. Strother of Hamlin.

The couple will be married May 17 in Sioux City.

The prospective bridegroom attended Hamlin High School and is now employed by McCollum Tool Supply in Farmington, where they will make their home.

Mr. and Mrs. Elmer Brewer visited with their daughter and family, Mr. and Mrs. Billy Pool, in Abilene.

From there she will go on to her home in Harrison, Ark. On their way home the Fleckensteins came through Fort Worth to visit his mother, Mrs. R. J. Fleckenstein.

Literary Club Installs Mrs. Hackley Prexy

New officers of the Woman's Literary Club were installed at the Friday afternoon meeting in the home of the retiring president, Mrs. Donley Williams.

Mrs. R. D. Moore conducted the Texas Heritage installation ceremony. Each new officer was presented a small nosegay of Texas bluebonnets.

Officers include Mrs. A. A. Hackley, president; Mrs. Moore, first vice president; Mrs. Bob Craig, second vice president; Mrs. A. B. Carlton, recording secretary; Mrs. A. A. Wade, corresponding secretary; Mrs. W. A. Cassle, treasurer; Mrs. C. F. Cook, parliamentarian; Mrs. J. W. McCrary, musician; Mrs. Joe Simpson, reporter; Mrs. L. H. McBride, librarian.

Mrs. Hackley and Mrs. C. T. Murrell gave reports of the Mesquite District Convention held in Colorado City April 5-6.

The club received the following awards in the district: first place, Yearbook; first, International Scholarship Division; second, Conservation Department; third, Texas Heritage Department.

The tea committee included Mrs. Bill Shira and Mrs. John D. Ferguson.

The table was covered with white linen and centered with an arrangement of yellow carnations and lavender chrysanthemums. Crystal appointments were used.

Mrs. Williams presided during the business session. The

club members voted on the theme for the coming year, choosing "Tomorrow is Now."

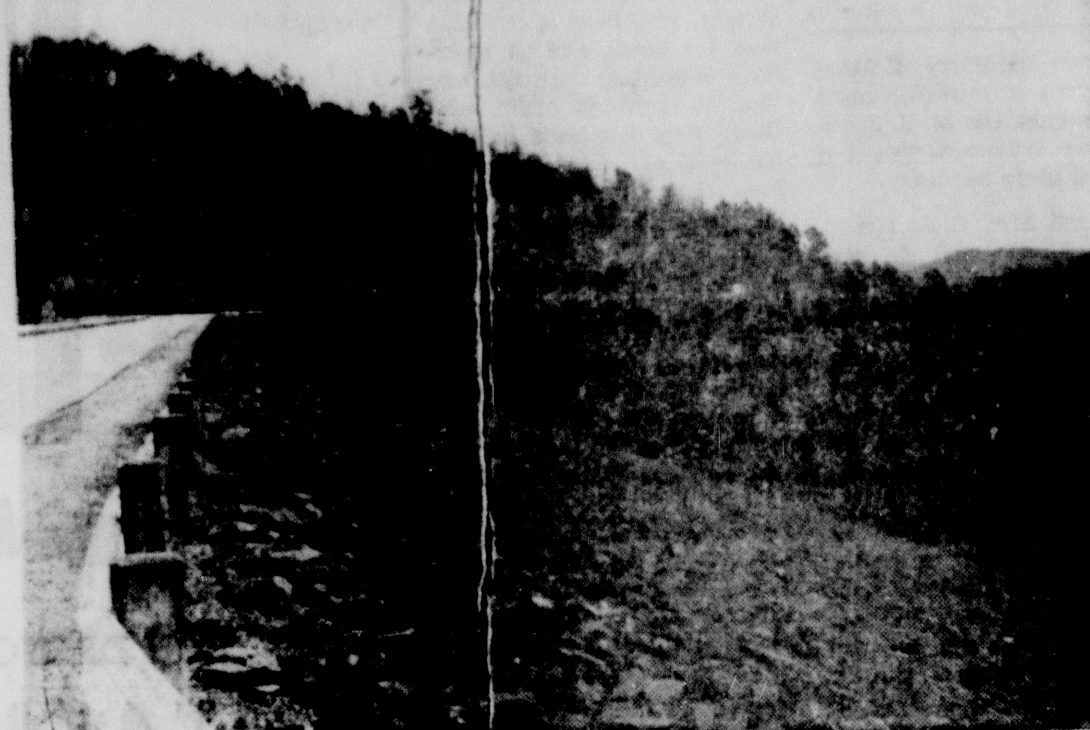

Following the installation Mrs. Hackley appointed the following committees:

Standing Committees: Yearbook - Mrs. Bob Craig, Mrs. C. T. Murrell, Mrs. R. D. Moore, Mrs. A. B. Carlton; Methods and Finance, Mrs. W. A. Cassle, Mrs. W. A. Albritton; Membership and Telephone, Mrs. M. T. York, Mrs. Bill Shira; Federation Report Chairman, Mrs. Richard Young, Jr.

Federation Committees: Education, Mrs. Holly Toler; Mrs. Joe Simpson; Home Life, Mrs. L. H. McBride, Mrs. Bill Keck; Texas Heritage, Mrs. Byron Bryant, Mrs. C. F. Cook; Fine Arts, Mrs. J. W. McCrary, Mrs. Vigil Steele; Public Affairs, Mrs. Dick Maberry, Mrs. Ray Sonnenburg; Conservation, Mrs. Tarlton Willingham, Mrs. John D. Ferguson; International Affairs, Mrs. A. A. Wade, Mrs. Tommie Hunt; Council of International Clubs - Mrs. C. T. Murrell, Mrs. A. B. Carlton, Mrs. Moore, Federation Counselor; Mrs. Maberry, Forum representative; Mrs. Hackley, Hamlin Foundation, representatives; and trustees are Mmes. Cassle, Moore and Toler.

Mr. and Mrs. Boyd Gibson went to Granbury Sunday to pick up their children, Steve Cheryl, who had spent the Easter holidays with their grandparents, Mr. and Mrs. H. D. Cherry and Mrs. Lewis Gibson.

MOUNTAIN TOP

"MOUNTAIN TOP EXPERIENCES" ... It is not yet vacation time, however that time is approaching and we start remembering the wonderful feelings and experiences of our last trip to the mountains, and now we can start to plan new adventures.

That closeness, and the exciting feeling when worshipping the Lord is often referred to as a "MOUNTAIN TOP EXPERIENCE." We invite you to come worship the Lord in his house, and receive the joys of being close to God. Attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

the Texas State Department of Health

Accent on Health

J. E. PEAVY, M.D., Commissioner of Health

You can't sleep? You have lots of company.

There are millions of "insomniacs" in America. Even though they are tired and weary, they toss and turn for hours — or wake up four or five times during the night. And they face the early morning with all the pep and enthusiasm of a wet dish cloth.

Almost every one has a pet remedy for sleeplessness. If youth have one that works use it.

Charles Dickens could sleep only in a bed that faced north. A physician once said he found counting sheep did no good, but he had success starting at 1,000 and counting backward.

If you are one of those who find themselves staring dazedly at the ceiling at three in the morning, maybe some of these suggestions will help. Make yourself as comfortable as possible.

I wonder if many people realize the efforts put forth by the association in trying to keep the cemetery as beautiful as possible. If you have been meaning to help and have neglected to do so, please, take time now to do your part.

April 25 to May 1 has been designated as Library Week in Texas and citizens of Texas are being urged by Gov. John Connally "to avail themselves of the library facilities in every city and community."

Our local library, Harden Memorial Library, with Mr. and Mrs. Jesse Johnson as custodians, is a project kept alive by the Woman's Forum. The Woman's Forum is made up of the women's clubs of Hamlin and just last year the Business and Professional Women's Club made improvements to the facilities.

The purpose of the special week is to encourage reading and library use and to urge concrete action resulting in better library service to all Texans.

This week would be a good time to visit the library.

Mr. and Mrs. Charles Cary now have triplets at their

able as possible before you retire. Make sure you've the right temperature in your bedroom.

Use a comfortable mattress, not too hard or too soft; good bedsprings that won't hop coils into your ribs and won't sag in the middle; and fluffy, light blankets rather than heavy ones.

Take a brief, relaxing walk before turning in, or do some mild exercising to help tire you enough to relax.

Again, there are all sorts of theories. Some people say coffee keeps them awake. Some prefer warm milk or a light snack. Many people read themselves to sleep, using everything from comic books and mystery magazines to rhythmical poetry.

If you do encounter a sleepless night now and then, don't fight it. Just lie there and relax. The rest will do you good. Chances are, you will rest well and get enough sleep when you do drop off. Worrying about not sleeping will only make you more awake than ever.

If insomnia becomes a real health problem, see your doctor. He may be able to help you find relief.

Zing into spring! Chevrolet Impala

Chevrolet Impala Super Sport Coupe—one of 50 bucket-sealed beauties for '65.

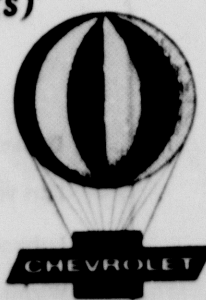

**People who buy other big expensive-looking cars
get one thing you won't (big expensive-looking payments)**

It looks like a big car. And is—by almost any standard you want to apply.

Width? Nobody builds a car as much as one inch wider. Length? It grew three inches this year. Roominess? Every closed model's got three inches more shoulder room, front and rear, and more leg and foot room up front too. Luxury? Nice little touches like the look of mellow walnut across the Impala's instrument panel. And big touches. Like the fineness of the same Body by Fisher workmanship that makes some of America's most

expensive cars look so expensive. How about the ride? Chevrolet engineers took the Jet-smooth year and smoothed it out even more this year. Also made it more stable by widening the wheel stance. Price? That's where Chevrolets fall way short of the other big expensive-looking cars. But we wouldn't have it any other way. Would you?

One last question: How soon can you make a good spring buy on a Chevrolet? One last answer: Just as soon as you can get down to your Chevrolet dealer's.

DISCUSSING PLANS FOR THE YEAR — Mrs. Bob Craig, left, Mrs. Donley Williams, and Mrs. A. A. Hackley, right, as shown as they discuss plans for the Woman's Literary Club at the installation meeting Friday afternoon. Mrs. Hackley is the new president, Mrs. Williams, the retiring president, and Mrs. Craig is year-book and program chairman.

Sue Johnson and Edward Townley To be Wed in June

Mr. and Mrs. Weldon Johnson are announcing the engagement and approaching marriage of their daughter, Fairley Sue, to E. Edward Townley of Abilene.

The wedding will be June 20 at 4 p. m. in the First Baptist Church.

The bride-elect is a graduate of Hamlin High School and is attending Abilene Christian College, Abilene.

The prospective bridegroom is the son of Mr. and Mrs. Vesta L. Townley of Honolulu, Hawaii, formerly of Hamlin. Townley attended Hamlin High School and was graduated from Reno, Nevada, High School. He is now a student at ACC and is employed at the Abilene Post Office.

Penny Hofeldt and Richard Strother Set Wedding Date

Mr. and Mrs. Ross B. Hofeldt of Sioux City, Iowa, have announced the approaching marriage of their daughter, Penny, to Richard Kent Strother of Farmington, New M., son of Mr. and Mrs. Jeff K. Strother of Hamlin.

The couple will be married May 17 in Sioux City.

The prospective bridegroom attended Hamlin High School and is now employed by McCollum Tool Supply in Farmington, where they will make their home.

Mr. and Mrs. Elmer Brewer visited with their daughter and family, Mr. and Mrs. Billy Pool, in Abilene.

Literary Club Installs Mrs. Hackley Prexy

New officers of the Woman's Literary Club were installed at the Friday afternoon meeting in the home of the retiring president, Mrs. Donley Williams.

Mrs. R. D. Moore conducted the Texas Heritage installation ceremony. Each new officer was presented a small nosegay of Texas bluebonnets.

Officers include Mrs. A. A. Hackley, president; Mrs. Moore, first vice president; Mrs. Bob Craig, second vice president; Mrs. A. B. Carlton, recording secretary; Mrs. A. A. Wade, corresponding secretary; Mrs. W. A. Cassle, treasurer; Mrs. C. F. Cook, parliamentarian; Mrs. J. W. McCrary, musician; Mrs. Joe Simpson, reporter; Mrs. L. H. McBride, librarian.

Mrs. Hackley and Mrs. C. T. Murrell gave reports of the Mesquite District Convention held in Colorado City April 5-6.

The club received the following awards in the district: first place, Yearbook; first, International Scholarship Division; second, Conservation Department; third, Texas Heritage Department.

The tea committee included Mrs. Bill Shira and Mrs. John D. Ferguson.

The table was covered with white linen and centered with an arrangement of yellow carnations and lavender chrysanthemums. Crystal appointments were used.

Mrs. Williams presided during the business session. The

club members voted on the theme for the coming year, choosing "Tomorrow is Now."

Following the installation Mrs. Hackley appointed the following committees:

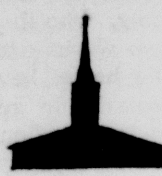

Standing Committees: Yearbook - Mrs. Bob Craig, Mrs. C. T. Murrell, Mrs. R. D. Moore, Mrs. A. B. Carlton; Methods and Finance, Mrs. W. A. Cassle, Mrs. W. A. Albritton; Membership and Telephone, Mrs. M. T. York, Mrs. Bill Shira; Federation Report Chairman, Mrs. Richard Young, Jr.

Federation Committees: Education, Mrs. Holly Toler; Home Life, Mrs. Joe Simpson; Home Life, Mrs. L. H. McBride, Mrs. Bill Keck; Texas Heritage, Mrs. Byron Bryant, Mrs. C. F. Cook; Fine Arts, Mrs. J. W. McCrary, Mrs. Vigil Steele; Public Affairs, Mrs. Dick Maberry, Mrs. Ray Sonnenburg; Conservation, Mrs. Tarlton Willingham, Mrs. John D. Ferguson; International Affairs, Mrs. A. A. Wade, Mrs. Tommie Hunt; Council of International Clubs - Mrs. C. T. Murrell, Mrs. A. B. Carlton, Mrs. Moore, Federation Counselor; Mrs. Maberry, Forum representative; Mrs. Hackley, Hamlin Foundation, representatives; and trustees are Mmes. Cassle, Moore and Toler.

Mr. and Mrs. Boyd Gibson went to Granbury Sunday to pick up their children, Steve Cheryl, who had spent the Easter holidays with their grandparents, Mr. and Mrs. H. D. Cherry and Mrs. Lewis Gibson.

Mr. and Mrs. Joe Fleckenstein visited in Oklahoma City, Okla., during the holidays. They took Mrs. Mabel Hall, Mrs. Fleckenstein's mother, to Oklahoma City to visit her niece, Mrs. P. H. Bull. From there she will go on to her home in Harrison, Ark. On their way home the Fleckensteins came through Fort Worth to visit his mother, Mrs. R. J. Fleckenstein.

MOUNTAIN TOP

"MOUNTAIN TOP EXPERIENCES"... It is not yet vacation time, however that time is approaching and we start remembering the wonderful feelings and experiences of our last trip to the mountains, and now we can start to plan new adventures.

That closeness, and the exciting feeling when worshipping the Lord is often referred to as a "MOUNTAIN TOP EXPERIENCE." We invite you to come worship the Lord in his house, and receive the joys of being close to God. Attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Accent on Health

J. E. PEAVY, M.D., Commissioner of Health

You can't sleep? You have lots of company. There are millions of "insomniacs" in America. Even though they are tired and weary, they toss and turn for hours — or wake up four or five times during the night. And they face the early morning with all the pep and energy of a wet dish cloth.

Almost every one has a pet remedy for sleeplessness. If youth have one that works use it.

Charles Dickens could sleep only in a bed that faced north. A physician once said he found counting sheep did no good, but he had success starting at 1,000 and counting backward.

Guests in the home of Mr. and Mrs. Herman Letz on Easter Sunday were their son and family, Mr. and Mrs. Marvin Letz; Sandra and Freddy, of Haskell and Mr. and Mrs. Kent Denton of Abilene.

Mr. and Mrs. Morris James and son, Larry of Richardson visited relatives here over the Easter holidays.

The many friends of W. A. Wendeborn were saddened to learn of his death at Stamford last week. Mr. and Mrs. Wendeborn were residents of this community for many years. Their son Billy and his family still live here. Our sincere sympathy to the family of Mr. Wendeborn.

Mr. and Mrs. Kuno Mischer of Garland were here last week to attend the funeral of Mr. Wendeborn. They also visited with Mrs. Mischer's sister and husband, Mr. and Mrs. Herbert Klump.

Mr. and Mrs. Ollie Wendeborn of Rusk attended the funeral and also visited Mrs. Katie G. Gifford on Sunday.

Mr. and Mrs. B. R. Johnson visited their son's family, the Major Glendon T. Johnson's in Wichita Falls recently.

Mr. and Mrs. Ray Bridges, Scott and Cody, spent Easter holidays near Lipan with her parents, Mr. and Mrs. Roy Knipe.

Visitors at the Old Glory Church of Christ Easter Sunday morning were, Mr. and Mrs. Loy Zane Garner and children of Abilene, Mr. and Mrs. John James, Mr. and Mrs. Morris James and son, Larry, all of Richardson; the John L. Garners of Aspermont; Mr. and Mrs. Marvin Letz and family of Haskell; Mr. and Mrs. Kent Denton, of Abilene; and Mr. and Mrs. Ted Jennings of Seymour.

Mr. and Mrs. Donald Boles of Rule are the proud parents of a baby girl, Angela Jean, born April 12 in the Haskell Hospital. The young lady's parents are former residents of this community.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — A new governor moved into the chief executive's office in the capitol this week — but only for a day.

Following tradition, Gov. John Connally and Lt. Gov. Preston Smith left the state Tuesday — clearing the way for Sen. Tom Crighton of Mineral Wells, Senate president pro tempore, to take a 24-hour turn as governor.

Crighton invited home-folks from Callahan, Clay, Denton, Eastland, Jack, Montague, Palo Pinto, Parker, Stephens and Wise counties to his "inauguration".

He also turned out the usual volume of proclamations and commissions — and received praises of his colleagues.

Crighton, 36, an attorney, brought along his pretty wife, Sue, and three children to the governor's mansion.

MEDICAL SCHOOL VETOED — Governor Connally vetoed the bill authorizing Texas Tech to establish a medical school in Lubbock.

Connally said that not enough study had been given to the idea and that he preferred that his recently created college coordinating board be the supreme authority in new college programs.

Veto drew critical attacks from West Texas proponents of the school, including Lt. Gov. Preston Smith and Sen. H. J. Blanchard, both of Lubbock.

COMMISSION NEARS PASSAGE — After a two-week delay, the Senate was ready to take final action on the bill to create a "Little Hoover Commission" to cull waste and inefficiency from state offices and agencies. Bill is sponsored by Rep. Dick Cory of Victoria and Sen. Bill Patman of Canada.

An amendment which Patman considers crippling was tacked on by Sen. Culp Krueger of El Campo. Amendment makes the lieutenant governor and the speaker chairman and vice chairman of the commission, replacing a provision that the members would elect the commission leaders.

DISTRICTING GUIDELINE SET — Rep. Gus Mutscher of Brenham says the House Districts Committee aims to get a congressional reapportionment measure to the floor by May 1.

Three optional plans for state House of Representatives redistricting also are due from sub-committee by May 1. Committee has adopted these tentative legislature redistricting guidelines:

Population variance between districts should be held to a maximum of 15 per cent over and below the mean average; "at least one attempt will be made to eliminate "floterial" districts.

Small counties without population sufficient to justify a representative of their own will not be divided;

Two or more representatives will not be allowed to run at large in two or more counties.

Committee also approved Senate-passed bill to permit up to 15 per cent population

for centerpieces on the tables. The place cards and programs were little birds with umbrellas over them.

Kenneth Jones was Master of Ceremonies; Judy Sander welcomed the guests; Violeta Castro gave the invocation.

Reva Letz read the class history; Rita Baldree, the class will; and Brenda Palmer the prophecy.

Jose Castro introduced Jerry D. Johnston, a member of the school faculty, who spoke on "Life is Worth Living if You Have Love".

Servers were Carolyn Sander, Stephanie Letz and the 7th Grade boys.

Two annual community picnics were held on Easter Sunday. One group gathered at the Herman Dugan place and another at the home of the H. L. Boles.

Some of the College students who were home for the Easter holidays, were Tommy Letz, student at Texas Tech, Kenny Spitzer, from West Texas State and Terry Sellers from Cisco Junior College.

variance in forming legislative districts.

House Speaker Ben Barnes is optimistic that the Legislature can solve the thorny redistricting problem without need for a special session.

AMENDMENTS GET PRIORITY — State representatives returned from their brief Easter Vacations to find two proposed constitutional amendments high on their work assignment list.

Governor Connally finally got the bumpy House Amendments Committee to clear for debate measure to increase terms of governor and other officials elected statewide from two to four years.

Committee also approved redistricting plan-caller calling for increase of State Senate membership from 31 to 39, but stripped from it provision to lengthen upper house terms to six years.

Pressure for submission of both measures to Texas voters (in November and August 7 elections, respectively) were intense.

NEW LAWS ADOPTED — Dozens of bills have been given final passage in one house and sent to the other for further action.

Two bills by Rep. Dick Cory would authorize commissioners courts in all but the largest counties of the state to give county officers raises of up to 20 per cent.

Sen. Don Kennard's bill to create a North Central Texas Airport Authority in Tarrant County, which is opposed by Dallas, was passed in the Senate, but the House version ran into a filibuster by Dallas delegation members in the committee hearing.

Bill by Sen. W. T. Moore would authorize Texas A&M to accept James Connally Air Force Base for the state and establish a technical institute. **POLL TAX REPEAL FAILS** Proposed constitutional amendment to abolish the poll tax fell four votes short of getting the necessary two-thirds in the House of Representatives. But measure was kept alive by a parliamentary maneuver.

Rep. Travis Peeler of Corpus Christi is sponsor of the bill.

BUDGET WRITING TOUGH-ER THAN EVER — Appropriations bill conferees failed to make the April 15 deadline set by House Speaker Ben Barnes for completion of their work.

Despite any sharp differences between House and Senate bills, the budget-writing job in general is tougher than ever this year. That's because of creation of new state agencies and transfers of duties — particularly in hospital and water fields — plus impact of federal programs just being evolved on state finances.

LOAN BILL ADVANCED — Legislation which opponents charge would mean the highest interest rates on loans in the nation for Texans received tentative Senate approval 16-14.

Measure by Sen. Jim Bates of Edinburg would allow annual interest rates on installment loans of \$9 per \$100 up to \$6,500. An amendment, finally accepted after strong objection, exempted small loan companies from terms of the bill. Another amendment exempted mortgage loans on real estate.

NON-CITIZEN AID PROPOSED — Proposed constitutional amendment to make old age assistance to non-citizens who have lived in the U. S. for at least 25 years received heavy support in a House committee hearing.

Rep. Joe J. Bernal of San Antonio, sponsor of the bill, said only three other states require citizenship for such assistance. Many thousand long-time Texas residents, who have not qualified for citizenship for such assistance due to language or other barriers, have no income at all today, Bernal told the committee.

COLLEGES GET FEDERAL FUNDS — With \$11,200,000 presently allotted for distribution in federal grants for college construction in Texas, the Texas Commission on

Higher Education already has requests from 24 more colleges and eligibility established for 12 junior colleges.

Applications received amount to an additional \$12-500,000 of construction requests under the 1964 Higher Educational Facilities Act. Grants pay for 40 per cent of the actual cost of new construction for approved college facilities. **RAIN-MAKING STUDY URGED** — John T. Carr Jr., weatherman with the Texas Water Commission, says long-range experiments in weather modification should be undertaken in Texas, even though at present conditions do not seem favorable and existing methods are expensive.

Carr says that ideal conditions for rain-making are infrequent in Texas. However, experiments have shown there are effective methods to bring about rain where it would not have fallen naturally and to increase the yield of rain clouds.

SHORT SNORTS — Bill to authorize the Texas Water Development Board to issue \$100,000,000 more in Texas Water Development Bonds was heard by the House Conservation and Reclamation Committee and assigned to sub-committee — George W. Hill, executive director of the Texas State Historical Survey Committee, has resigned effective July 1 to become president of the Southern Heritage Foundation — Governor signed into law these bills: raising compulsory school attendance age one year to 17; renewal of foreign student exemptions from tuitions in Texas colleges; and providing for election of school trustees by the place system in independent school districts of 500 or more scholastics —

Atty. Gen. Waggoner Carr ruled that Hidalgo County cannot pay attorneys appointed to represent indigent defendants in misdemeanor cases because there is no provision in the constitution or the laws which authorizes the commissioners court to do so. In another opinion Carr concluded a fireman who leaves his job after 20 years service, but before age 55, is not required to contribute percentage of sick leave and vacation pay into firemen's relief and retirement fund — State

Annuals Create Excitement at HHS

By Nancy Ford
Carolyn Reynolds
Marolyn Reynolds

Back from the holidays with talks of Easter egg hunts, parties, and tennis matches, students noisily filled the halls of HHS Tuesday morning. Excitement was high as many brought their beautiful "PIPER" to school. The annuals, handed out Wednesday before the holidays, pass constantly from student to student for signatures.

h h s
Mary Lois Patterson and Nancy Ford will be among the 300 Texas girls receiving State FHA Degrees of Achievement at the annual Leadership conference of the Texas Association of Future Homemakers of America. Others attending will be Jan Albritton, Glenda Hudspeth, Mrs. Camille Simmons, and Mrs. LaFoy Patterson. Jan will sing in the All-State Chorus and will try out for the National FHA Chorus.

Glenda Hudspeth, elected president of the FHA Chapter for the 1965-66 school year, will be heading this list of officers next year: Judy Jenkins, vice-president; Cynthia Stephens, secretary; Jane Ferguson, reporter; Sue Roddy, historian; Geneva Ward, parliamentarian; Sharon Hawkins, sergeant-at-arms; Revonna Robertson, pianist; Jan Albritton, song leader.

h h s
Enchiladas, tacos, and other spicy Mexican dishes were served to twenty-five members of the Spanish Club Tuesday night at the El Farolito restaurant in Abilene. Accompanying the group were Mr. and Mrs. Newberry, and Mrs. Witt.

Chas. Scott, sponsor of the club. This dinner was a highlight of the club's activities this year.

h h s

Excitement ran through the shorthand class Tuesday, April 20, as it was learned that Connie Jo Duncan will be going to Region U. I. L. contest, Saturday, April 24. Connie, an alternate, never believed there was any possibility that she would be going. To be in shape for Saturday's contest, Connie must spend many hours in preparation. Other HHS students attending the U. I. L. Region Contest are: Robert Pearce, tennis singles; Danny Contreras, tennis doubles and mile run; Allen Cumblit, tennis doubles; Judy Jenkins, tennis singles; and Jack Townley, persuasive speaking.

h h s
"Sell these tickets" were Mr. Jones' words Tuesday, as he issued six tickets to every band member for the annual Parade of Music. The concert, which will be presented May 4, will offer an evening of pleasure for all age groups.

Terry Julian Named Rolling Plains Cotton Growers Executive

Terry Julian of Sweetwater and Roscoe, West Texas State graduate and native West Texas, has been named executive vice president of Rolling Plains Cotton Growers, Inc.

He is the first executive officer to serve the 30-county, 21,000-member cotton producer organization that was formed Oct. 26, 1964, at an area-wide cotton meeting in Knox City.

He joined the Rolling Plains Cotton Growers, Inc. after almost two years of service as office manager for Rolling Plains Compress.

Julian is a native of South Plains, a cotton farming community near Floydada, and has been associated with cotton farming and processing virtually all of his life.

As a freshman at Hardin-Simmons University he was a member of the basketball team and played bass horn in the Cowboy Band. The next fall he worked at the South Plains Cotton Gin to earn tuition and expense money for return to college at West

Texas State University in Canyon. At West Texas, he was a varsity cheerleader and a member of the baseball team. As a senior he was elected one of the "five most popular men on the campus".

In four years of college work, he was graduated as a "Distinguished Military Graduate" and an outstanding senior student. He earned a BS degree in political science, which was designated as a pre-law major in government and history.

After graduation in 1957, Lt. Julian received officer training at Armor School in Fort Knox, and was sent to Germany with the 7th U. S. Cavalry, attached to the 3rd Infantry Division.

He served as a member of a Border Patrol unit between East and West Germany. He was active in Army marksmanship units, being captain of the 7th Cavalry pistol team and was 3rd Division director of the V Corps Le Clerc matches in Wildflecken, Germany. He is especially proud of his 7th Cavalry "Trooper Award" and a 7th Army Citation, earned in 1959 for being the first officer in Europe to fire a perfect score of 400 points on the M-41 Tank range at Belsen-Heone, Germany.

Neinda Philosopher Doubts Radio Broadcasts From Space Indicate A Higher Civilization

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 reacts to the latest claim out of Russia in his letter this week.

Dear editor:

You never can tell about something that comes out of Russia, they have their own brands of truth over there and they switch brands twice a

Returning home to Roscoe, he farmed 340 acres of cotton and wheat. During this time he also taught in the Sweetwater schools for two years, earning a permanent primary and secondary teaching certificate. He is a member of Roscoe Baptist Church, the Lions Club and currently belongs to the Southwestern Entomological Assn. and the Southwest Football Officials Assn.

Terry is an active director of Sweetwater Fair and Livestock Association and recently served as poultry superintendent of the Sweetwater judging contests.

week, but according to an article I read in a newspaper day before yesterday, a couple of Russian scientists believe they have heard radio signals from a planet millions of miles away indicating there's form of "higher civilization" out there, and while the scientists later said it was too early to be sure about these signals, still they're picking up something.

I don't know whether there's a higher form of civilized life somewhere out in space or not and if it's left up to me to go see, man will never find out, but what interests me is the Russians' guess that the radio signals indicated a higher form of civilization.

What I mean is, turn it around. If there are people out in space and they are picking up radio broadcasts from our planet, you reckon they'd interpret what they hear as a higher form of civilization?

You really think such people out there would spend billions of dollars building rocket ships to come down to Earth to find out what's making all that noise on radio?

It's my theory that there are intelligent people millions of miles out in space, that they have heard our radio broadcasts, and they're exploring space in the opposite direction. What is there about electric guitar music every fifteen minutes and world wars every fifteen years that'd make a higher form of civilized life want to come down here and get acquainted? Or, what is there about this Johnson grass farm that'd attract a man who had to travel a billion miles to see it? I know lots of people who wouldn't travel 10 miles to see it.

My general theory about space is that if there aren't any intelligent creatures out there, we may reach the point where there's no sense in exploring one barren planet after another, and if there are intelligent creatures out there, let them look me up, provided we haven't ruined the chance by broadcasting to the universe what we're up to down here.

Yours faithfully,
J. A.

berry, placement; Mrs. W. B. Britton, judges; Mrs. R. D. Moore, clerks; Mrs. Arlie Castle, entries; Mrs. B. H. Gardner, junior gardeners; Mrs. B. B. Colwell, hospitality.

The show is open to the public. Admission is 50 cents. Students will be admitted free.

First Baptist Church Revival To Open Sunday

Sunday, April 25, will initiate the series of revival services of the First Baptist Church of Hamlin. The evangelist, Rev. Henard East, will arrive on Monday and continue through the following Sunday, May 2.

The Rev. East was formerly pastor of this church. He is now pastor of the First Baptist Church of Arlington where the membership has more than doubled under his ministry since 1951. Other pastorate have been held at Knox City, Tulsa, and Kingsville. He is a native of the Plains of Texas, born at Plains and attended school at Hereford. He is a graduate of Hardin-Simmons University.

Revival preparation has been extensive within the church organizations. The deacons have sponsored neighborhood prayer meetings and visitation of the membership. The Sunday School has visited prospects and set high attendance goals for both Sundays of the meeting.

Special recognition of church groups will be made each evening of the revival. Monday will feature the Training Union leadership and members; Tuesday, the W. M. U.; Wednesday, the Sunday School; Thursday, the Brotherhood; Friday, the Young People; and Saturday will be family night.

Music will be under the direction of Bill Keck, minister of music and education for the church. A special Revival Choir will be made up of combined choirs from intermediate, young people and adults.

The Rev. Bryon Bryant, pastor, states that there is anticipation of a significant response to this revival effort. The church membership is expected to be enlisted, the unfilled reached, and the entire community is invited to participate.

Mr. and Mrs. Grady Allen, Barry and Lane visited in Moran with her father, J. D. Johnson and her brother, James Johnson.

The following message to the citizens of Hamlin from the City Council urges everyone's cooperation in the coming Clean-up Campaign:

Spring Clean-Up is only as effective as "YOU" make it. Each citizen has the responsibility to make living conditions in Hamlin safe for the health and well being of everyone.

Take pride in your community, make it a place where others would like to live. A dirty town is not an attractive town. If everyone will take the responsibility of helping with this clean-up, it will add to the health security of every person living in Hamlin.

Remove all breeding places for flies or mosquitoes. Clear out the weeds and brush, which collect papers and cans, which in turn breed disease.

The City trucks will pick up all trash and debris placed in containers on the alleys. The trucks will start picking up May 10th. Please have all trash, brush and weeds stacked or in containers in the alley, not later than May 10.

If you do not want it hauled off, please do not put it in the alley.

AS IT LOOKS FROM HERE— Second in Series on Basic Law

Omar Burleson, M. C., 17th District, Texas WASHINGTON, D. C. — Second of a series on the basic origin of Law.

APPLYING THE LOGIC OF LAW

The 18th century lawyer and writer Bastiat, in his commentaries of about 1850, made no mention of "rights" under law, human rights, social rights, employment rights, civil rights and majority rights. Obviously he felt that no such "rights" exist, except those pertaining to our three God-given rights of life, liberty and property (discussed last week.) If, as Bastiat indicates, these three basic rights are not conferable upon the individual by man-made laws, where else would they originate? To whom would they apply and to what degree? For example, with the consent of an employer, no man can be denied the right to work. Without the consent of an employer, no man can acquire the right to work. Hence, the term "right to work" becomes meaningless under this logic, as do all these other "rights" above referred to.

Following this line of reason it seems necessary to distinguish the difference between rights, which every individual possesses (life, liberty and property) and privileges, which desired persons may be granted, or, qualified persons may acquire through a mutually acceptable arrangement with other men.

In a Republic, all economic exchanges between individuals are mutually voluntary. If this concept is maintained, how can the owner of property be denied the right to sell to whomever he chooses, on whatever terms are agreed on between the seller and the purchaser, and for whatever reason he chooses? The economic

omic facts of supply and demand are no respecter of persons. It works the same for everyone. Persons who are unable to conduct exchanges with proprietors of property, goods or services, thus generate a demand to initiate like businesses for themselves and conduct those enterprises for profit. Many do exactly this and the general economic welfare is improved. Others seek law to compel privilege, or they mill in mobs and demonstrate. For what? Mostly it is difficult to know just exactly what, because of the many motives seemingly involved.

Assume, however, it is entirely a demand for relief under law to assure that passage of the Declaration of Independence, the theme of which is that "all men are created equal". If the sentence is kept in the context in which it was written, it has nothing to do with people as individuals. Rather, it proclaims that "governments derive their just powers from the consent of the governed..." — not from the "divine right of kings." It told the British Crown that our fathers were not born with inseparable bond and allegiance to any king — not even the King of England — and were, in fact, his equals in that regard.

The "EQUAL" here used has nothing to do with the equality of one individual with other individuals — it has nothing to do with spiritual equality, equality with respect to senses, faculties, health, fingerprints, ear lobes or economic potential.

Whether it should mean these things can be argued endlessly, taking whichever viewpoint on which one may have convictions.

THE POINT HERE IS, CAN "RIGHTS," beyond those concepts discussed by Bastiat, be legally, by force, imposed upon individuals for the benefit of special privilege to others?

Law is more than just a judicious guide for Legislators in times like these. It is a lamp of liberty.

County Judge Speaks to CB's

County Judge Leon Thurman spoke on the use of citizens band radio in Civil Defense at the Monday evening meeting of the Airways CB Radio Club.

Judge Thurman stressed the need to maintain communications during times of disaster such as storms, flooding, fire, epidemic, etc.

Thurman is chairman of Jones County civil defense program and is also a CB radio operator. He requested that the president of the local club appoint a committee to meet with him, the County sheriff, a member of the Texas Highway Patrol, and other County and civil defense officials to coordinate their activities.

Jerry Pritchard is president of the CB club here. Fire Chief James Josey and

the first assistant chief, E. E. West were also present at the meeting and expressed their willingness to work with the club in any way that will benefit the community.

The club also announced plans for a homemade ice cream supper at the Old Mill Guest House tonight (Thursday) at 8 p. m.

Dr. and Mrs. E. D. Perrin and family visited with his parents, Mr. and Mrs. E. A. Perrin, in Cam-ron.

Quietly, it steals your heart away.

There's something about this all new Mercury that really gets you. Maybe it's the luxury...maybe the performance...maybe the Lincoln Continental tradition that's written all over it.

Whatever the reason, this new Mercury is a guaranteed scene stealer. And, at our prices, it's really a steal.

FAIRVIEW NEWS

by Mrs. Elmer Joiner
Easter Sunday came as a beautiful spring day, making a lovely time for all of the little girls, as well as the big ones, to wear their Easter finery. We had the largest attendance, at our church, in a long time, but still had a lot more empty pews than filled ones. Had several visitors they were not exactly visitors, just old friends back for Easter.

The only thing to mar the Holy Day spirit was the fact in the back of the farmers minds that it was Easter time and we had not received any rain to speak of. You always think of rain around that time and when it fails to arrive you wonder if it is going to rain in time to plant a crop. We have not given up yet, we are still expecting it to rain just any day, by the time this is printed water may be running every where. It doesn't cost a penny to be optimistic.

It was so good to see Mr. and Mrs. Jimmy Holmes and little daughter, in church Sunday. They had come to spend the holidays with his parents, Mr. and Mrs. Flavil Holmes. Was their first visit since his recent illness, he is back at work again.

Mr. and Mrs. Joe R. Rosenbaum, of Pampa, were also in church Sunday, spending some of the holidays with his parents, Mr. and Mrs. Fred Rosenbaum.

Mr. and Mrs. Marvin John-

son, Bruce and Barry, of Amarillo, spent a few days with their parents, the M. S. Johnsons and Winslow Grays, but returned home Saturday.

Mr. and Mrs. Clois Henry, of San Angelo, and children, spent Friday night and Saturday with his parents, Mr. and Mrs. E. A. Henry.

Mr. and Mrs. Jimmy Joiner, Jeannie and Ronald, Stamford, spent the week end in Hamlin also, combining business with pleasure, visiting his parents, the Elmer Joiner and hers, the Bailey Meeks.

Mr. and Mrs. Joe Ford went to Hamlin, Sunday, and ate lunch with their son, Mr. and Mrs. Joe E. Ford and children.

Rev. and Mrs. Kenneth Leverett, Kimmy and Kristy, went to Abilene after services Sunday night, to see her mother, Mrs. Tanner and Larry. Mrs. Leverett celebrated her birthday, Monday, with a family picnic at the park, in Abilene. She didn't say just how old she was, probably slipped her mind, since it usually does that, when it comes to our age.

Mrs. Elmer Joiner went to Childress, Thursday, with Mrs. Mary Y. Newberry and Miss Barbara Marsee, to the district Home Demonstration Club meeting, Mrs. H. A. Haynes, council chairman, had a freak mishap Wednesday afternoon and could not attend. A wasp stung her on the back of the neck and she was

in the Anson Hospital, Thursday.

Mr. and Mrs. Henry went from church services, Sunday, to her sisters, Mrs. Obie Wright, who lives over Rotan way, for lunch, and an afternoon of visiting with Mr. and Mrs. Wright and other relatives. They got back in time for services Sunday night. Mrs. Henry can hardly talk, but she is feeling pretty good once again.

Mr. and Mrs. Jim Leslie, Lubbock, spent Saturday night with Mr. and Mrs. Elmer Joiner. They had come to Hamlin to attend funeral services for Mr. Leslie's half brother, Mr. Tom Daniels, who died suddenly Saturday. They are former residents of the Hamlin area, living here before moving to Lubbock.

The Easter egg hunt, followed by supper, at the church house, was held as scheduled, and a good crowd attended, all having a nice time.

We are happy to report that the little son of Mr. and Mrs. Bill Jones, Jimmy, who had heart surgery two weeks ago, has already gone home, having made a remarkable recovery from the long, tedious operation. The Bill Joneses live in Sherman, where he is with the Highway Patrol.

Mr. and Mrs. Mel Jones were back with us Sunday, for the first Sunday since moving to Hamlin, for Sunday School and church. They are really happy over the wonderful results of the little grandson's surgery.

David Brown In Field Training

STUTTGART, GERMANY—Army Specialist Four David L. Brown, son of Mr. and Mrs. L. C. Brown, Sylvester, took part in a medical field training exercise conducted by the 30th Medical Group in Germany April 2-8.

Specialist Brown participated in various maneuvers designed to evaluate mass casualty and medical evacuation procedures.

Brown, a medical specialist in the group's 485th Preventive Medicine Unit near Stuttgart, entered the Army in September 1963 and completed basic training at Fort Polk, La., before arriving overseas in March 1964.

The 24-year-old soldier is a 1958 graduate of Roby High School and received his B. S. degree in 1963 from Sul Ross State College in Alpine.

The potter's wheel is believed to have been invented before wheeled vehicles.

PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

Water is a problem with many West Texas communities, but Childress is solving it with an ambitious program. In connection with neighboring towns, there is a \$6 million dam and reservoir starting soon... under construction a \$4 million pipeline from the water supply to the city... and a pipeline system in the city. Add such things as a remodeled City Auditorium with convention facilities... vapor lamp street lighting downtown and on highways through town... remodeled Chamber of Commerce offices... over \$400,000 in Church construction... new lounge at the Airport... and modernizing of many business buildings. Scheduled for the immediate future are a school bond election... expansion of State buildings... and a new hospital. The Childress record is a PATTERN FOR PROGRESS in "community development," improving chances for continued economic growth and attraction of new industry plus making it a better place to live, work and play. Growth conscious towns are invited to contact their local WTU manager for assistance from our area development representatives.

MOUNTAIN TOP

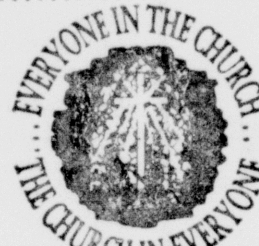

"MOUNTAIN TOP EXPERIENCES"... It is not yet vacation time, however that time is approaching and we start remembering the wonderful feelings and experiences of our last trip to the mountains, and now we can start to plan new adventures.

That closeness, and the exciting feeling when worshipping the Lord is often referred to as a "MOUNTAIN TOP EXPERIENCE." We invite you to come worship the Lord in his house, and receive the joys of being close to God. Attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Donald Merlands At Home in Ohio

Mr. and Mrs. Donald F. W. Merland are making their home in Cincinnati, Ohio, following their marriage here April 15.

The bride is the former Virginia Ann Kidd, daughter of Mr. and Mrs. Lonnie H. Kidd. The bridegroom is the son of Walter J. Merland and Mrs. A. Giampietro of Covington, Ky.

The wedding was held at 3 p. m. in the home of the bride's parents, Bruce Proctor, Church of Christ mini-

ster from Abilene, officiated for the double ring ceremony. The bride wore a white lace street length dress.

Their wedding trip was to Covington, Ky.

The bride, 1964 graduate of Hamlin High School, attended Draughton's Business College. She was a member of the band, stage band; Library Club and FHA while in high school.

The bridegroom graduated from Boone County High School in Florence, Ky. in 1959. He was discharged from the Air Force last Thursday and is now employed with Civil Service in Cincinnati.

Mrs. C. P. Yates To be Honored On 80th Birthday

Open house for Mrs. C. P. Yates will be held Sunday, April 25, from 4 to 6 p. m. honoring her on 80th birthday.

Friends are invited to call at her home and join in the celebration of the birthday event. It is requested that there be no gifts.

Mr. and Mrs. Yates live at 236 N. W. Avenue B.

Terri Casey Named Lo-Lua Group President April 12

The Lo-Lua Group met at the First Methodist Church April 12 to elect officers. Terri Casey was elected president.

A weekly public service feature from
the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

You can't sleep? You have lots of company.

There are millions of "insomniacs" in America. Even though they are tired and weary, they toss and turn for hours — or wake up four or five times during the night. And they face the early morning with all the pep and enthusiasm of a wet dish cloth.

Almost every one has a pet remedy for sleeplessness. If youth have one that works, use it.

Charles Dickens could sleep only in a bed that faced north. A physician once said he found counting sheep did no good, but he had success starting at 1,000 and counting backward.

If you are one of those who find themselves staring dejectedly at the ceiling at three in the morning, maybe some of these suggestions will help. Make yourself as comfortable as possible.

I wonder if many people realize the efforts put forth by the association in trying to keep the cemetery as beautiful as possible. If you have been meaning to help and have neglected to do so, please, take time now to do your part.

April 25 to May 1 has been designated as Library Week in Texas and citizens of Texas are being urged by Gov. John Connally "to avail themselves of the library facilities in every city and community."

Our local library, Harden Memorial Library, with Mr. and Mrs. Jesse Johnson as custodians, is a project kept alive by the Woman's Forum. The Woman's Forum is made up of the women's clubs of Hamlin and just last year the Business and Professional Women's Club made improvements to the facilities.

The purpose of the special week is to encourage reading and library use and to urge concrete action resulting in better library service to all Texans.

This week would be a good time to visit the library. Mr. and Mrs. Charles Cary now have triplets at their

able as possible before you retire. Make sure you've the right temperature in your bedroom.

Use a comfortable mattress, not too hard or too soft; good bedsprings that won't hop coils into your ribs and won't sag in the middle; and fluffy, light blankets rather than heavy ones.

Take a brief, relaxing walk before turning in, or do some mild exercising to help tire you enough to relax.

Again, there are all sorts of theories. Some people say coffee keeps them awake. Some prefer warm milk or a light snack. Many people read themselves to sleep, using everything from comic books and mystery magazines to rhythmic poetry.

If you do encounter a sleepless night now and then, don't fight it. Just lie there and relax. The rest will do you good. Chances are, you will rest well and get enough sleep when you do drop off. Worrying about not sleeping will only make you more awake than ever.

If insomnia becomes a real health problem, see your doctor. He may be able to help you find relief.

Zing into spring! Chevrolet Impala

Chevrolet Impala Super Sport Coupe—one of two bucket-seated beauties for '65.

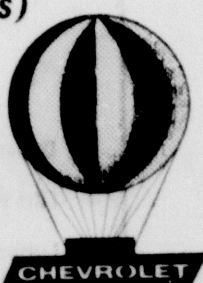

People who buy other big expensive-looking cars
get one thing you won't (big expensive-looking payments)

It looks like a big car. And is—by almost any standard you want to apply.

Width? Nobody builds a car as much as one inch wider. Length? It grew three inches this year. Roominess? Every closed model's got three inches more shoulder room, front and rear, and more leg and foot room up front too. Luxury? Nice little touches like the look of mellow walnut across the Impala's instrument panel. And big touches. Like the fineness of the same Body by Fisher workmanship that makes some of America's most

expensive cars look so expensive. How about the ride? Chevrolet engineers took the Jet-smooth one and smoothed it out even more this year. Also made it more stable by widening the wheel stance. Price? That's where Chevrolets fall way short of the other big expensive-looking cars. But we wouldn't have it any other way. Would you?

One last question: How soon can you make a good spring buy on a Chevrolet? One last answer: Just as soon as you can get down to your Chevrolet dealer's.

MOUNTAIN TOP

"MOUNTAIN TOP EXPERIENCES"... It is not yet vacation time, however that time is approaching and we start remembering the wonderful feelings and experiences of our last trip to the mountains, and now we can start to plan new adventures.

That closeness, and the exciting feeling when worshipping the Lord is often referred to as a "MOUNTAIN TOP EXPERIENCE." We invite you to come worship the Lord in his house, and receive the joys of being close to God. Attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

You can't sleep? You have lots of company.

There are millions of "insomniacs" in America. Even though they are tired and weary, they toss and turn for hours — or wake up four or five times during the night. And they face the early morning with all the pep and enthusiasm of a wet dish cloth.

Almost every one has a pet remedy for sleeplessness. If youth have one that works use it.

Charles Dickens could sleep only in a bed that faced north. A physician once said he found counting sheep did no good, but he had success starting at 1,000 and counting backward.

If you are one of those who find themselves staring do-jectedly at the ceiling at three in the morning, maybe some of these suggestions will help. Make yourself as comfort-

house. Their children's pet goat, Brownie, had one female and two male goats. I don't know if multiple births are common in goats or not, but I would imagine that anytime the children's pets are increased by three there would be quite a bit of excitement.

able as possible before you retire. Make sure you've the right temperature in your bedroom.

Use a comfortable mattress, not too hard or too soft; good bedsprings that won't hop coils into your ribs and won't sag in the middle; and fluffy, light blankets rather than heavy ones.

Take a brief, relaxing walk before turning in, or do some mild exercising to help tire you enough to relax.

Again, there are all sorts of theories. Some people say coffee keeps them awake. Some prefer warm milk or a light snack. Many people read themselves to sleep, using everything from comic books and mystery magazines to rhythmic poetry.

If you do encounter a sleepless night now and then, don't fight it. Just lie there and relax. The rest will do you good. Chances are, you will rest well and get enough sleep when you do drop off. Worrying about not sleeping will only make you more awake than ever.

If insomnia becomes a real health problem, see your doctor. He may be able to help you find relief.

Jo Lynn Johnson has one SLIGHTLY used sidewalk surf board that she will not sell cheap, but will give away after her experience Monday.

Jo Lynn, who had just purchased the board from her brother, Tommy, at a bargain, fell the first time on it and broke a bone in her right leg at the ankle.

Tommy bought the sidewalk surf board Saturday with his savings and after a half hour, including several spills, he was ready to sell it to his sister at the bargain price of \$2.

Jo Lynn, pleased over the transaction, started out to use the skate board with her friend, Ann Schultz, right after lunch Monday. Her sport was short lived and she now has a cast and is on crutches. She was most unhappy about ruining her perfect attendance record at school. She had to be out of classes for two days.

Jo Lynn's mother, Cecilia, who works at the Herald, had an additional jolt Tuesday afternoon when Tommy developed the mumps. "Oh well," she said, "might as well have it all at one time and get it over with."

Miss Lennie Greenway, chairman of the Hamlin Cemetery Association, was in the Herald office this week ordering some printing to be

done for the annual clean-up campaign.

Miss Greenway said the clean-up is underway but more financial help is needed for it to be successful.

I wonder if many people realize the efforts put forth by the association in trying to keep the cemetery as beautiful as possible.

If you have been meaning to help and have neglected to do so, please, take time now to do your part.

April 25 to May 1 has been designated as Library Week in Texas and citizens of Texas are being urged by Gov. John Connally "to avail themselves of the library facilities in every city and community."

Our local library, Harden Memorial Library, with Mr. and Mrs. Jesse Johnson as custodians, is a project kept alive by the Woman's Forum. The Woman's Forum is made up of the women's clubs of Hamlin and just last year the Business and Professional Women's Club made improvements to the facilities.

The purpose of the special week is to encourage reading and library use and to urge concrete action resulting in better library service to all Texans.

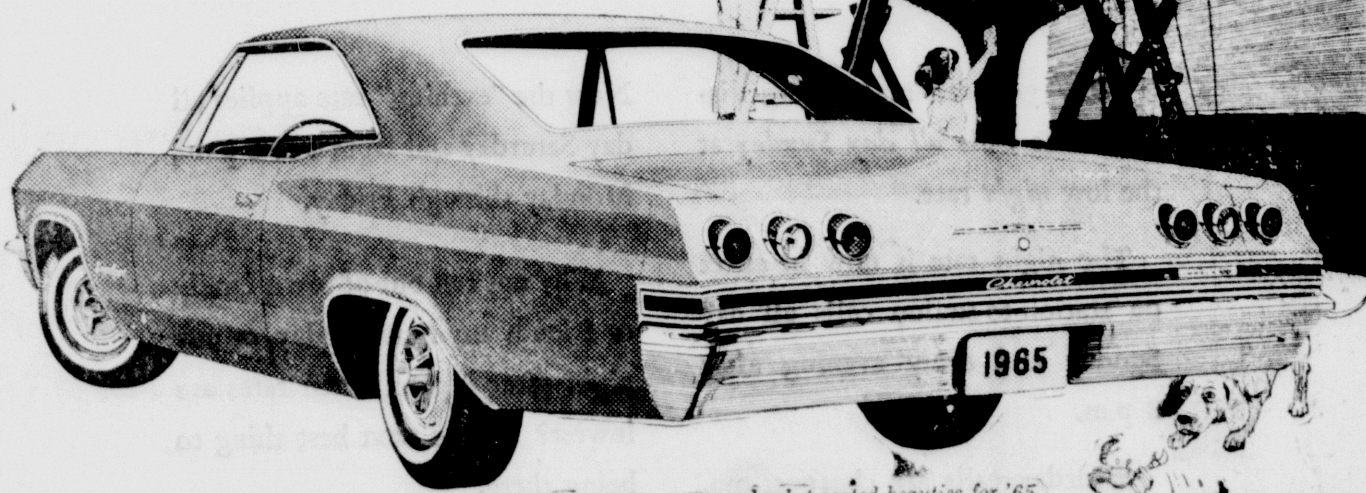

This week would be a good time to visit the library.

Zing into spring! Chevrolet Impala

Chevrolet Impala Super Sport Coupe—one of a bucket-sealed beauties for '65.

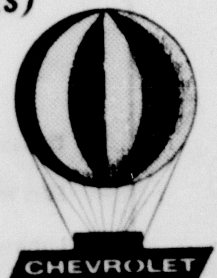

**People who buy other big expensive-looking cars
get one thing you won't (big expensive-looking payments)**

It looks like a big car. And is—by almost any standard you want to apply.

Width? Nobody builds a car as much as one inch wider. Length? It grew three inches this year. Roominess? Every closed model's got three inches more shoulder room, front and rear, and more leg and foot room up front too. Luxury? Nice little touches like the look of mellow walnut across the Impala's instrument panel. And big touches. Like the fineness of the same Body by Fisher workmanship that makes some of America's most

expensive cars look so expensive. How about the ride? Chevrolet engineers took the Jet-smooth one and smoothed it out even more this year. Also made it more stable by widening the wheel stance. Price? That's where Chevrolets fall way short of the other big expensive-looking cars. But we wouldn't have it any other way. Would you?

One last question: How soon can you make a good spring buy on a Chevrolet? One last answer: Just as soon as you can get down to your Chevrolet dealer's.

THE HAMLIN HERALD

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — A new governor moved into the chief executive's office in the capitol this week — but only for a day.

Following tradition, Gov. John Connally and Lt. Gov. Preston Smith left the state Tuesday — clearing the way for Sen. Tom Creighton of Mineral Wells, Senate president pro tempore, to take a 24-hour turn as governor.

Creighton invited home-folks from Callahan, Clay, Denton, Eastland, Jack, Montague, Palo Pinto, Parker, Stephens and Wise counties to his "inauguration."

He also turned out the usual volume of proclamations and commissions — and received praises of his colleagues.

Creighton, 36, an attorney, brought along his pretty wife, Sue, and three children to the governor's mansion.

MEDICAL SCHOOL VETOED — Governor Connally vetoed the bill authorizing Texas Tech to establish a medical school in Lubbock.

Connally said that not enough study had been given to the idea and that he preferred that his recently created college coordinating board be the supreme authority in new college programs.

Veto drew critical attacks from West Texas proponents of the school, including Lt. Gov. Preston Smith and Sen. H. J. Blanchard, both of Lubbock.

COMMISSION NEARS PASSAGE — After a two-week delay, the Senate was ready to take final action on the bill to create a "Little Hoover Commission" to cull waste and inefficiency from state offices and agencies. Bill is sponsored by Rep. Dick Cory of Victoria and Sen. Bill Patman of Ganado.

An amendment which Patman considers crippling was tacked on by Sen. Culp Krueger of El Campo. Amendment makes the lieutenant governor and the speaker chairman and vice chairman of the commission, replacing a provision that the members would elect the commission leaders.

DISTRICTING GUIDELINE SET — Rep. Gus Mutscher of Brenham says the House Districts Committee aims to get a congressional reapportionment measure to the floor by May 1.

Three optional plans for state House of Representatives redistricting also are due from sub-committee by May 1.

Committee has adopted these tentative legislative redistricting guidelines:

Population variance between districts should be held to a maximum of 15 per cent over and below the mean average; "at least one attempt will be made to eliminate 'floterial' districts.

Small counties without population sufficient to justify a representative of their own will not be divided;

Two or more representatives will not be allowed to run at large in two or more counties.

Committee also approved Senate-passed bill to permit up to 15 per cent population

for centerpieces on the tables. The place cards and programs were little birds with umbrellas over them.

Kenneth Jones was Master of Ceremonies; Judy Sandar welcomed the guests; Violeta Castro gave the invocation.

Reva Letz read the class history; Rita Balder, the class will; and Brenda Palmer the prophecy.

Jose Castro introduced Jerry D. Johnston, a member of the school faculty, who spoke on "Life is Worth Living if You Have Love".

Servers were Carolyn Sandar, Stephanie Letz and the 7th Grade boys.

Two annual community picnics were held on Easter Sunday. One group gathered at the Herman Dugan place and another at the home of the H. L. Boles.

Some of the College students who were home for the Easter holidays, were Tommy Letz, student at Texas Tech, Kenny Spitzer, from West Texas State and Terry Sellers from Cisco Junior College.

variance in forming legislative districts.

House Speaker Ben Barnes is optimistic that the Legislature can solve the thorny redistricting problem without need for a special session.

AMENDMENTS GET PRIORITY — State representatives returned from their brief Easter Vacations to find two proposed constitutional amendments high on their work assignment list.

Governor Connally finally got the balky House Amendments Committee to clear for debate measure to increase terms of governor and other officials elected statewide from two to four years.

Committee also approved redistricting plan calling for increase of State Senate membership from 31 to 39, but stripped from it provision to lengthen upper house terms to six years.

Pressure for submission of both measures to Texas voters (in November and August 7 elections, respectively) were intense.

NEW LAWS ADOPTED — Dozens of bills have been given final passage in one house and sent to the other for further action.

Two bills by Rep. Dick Cory would authorize commissioners courts in all but the largest counties of the state to give county officers raises of up to 20 per cent.

Sen. Don Kennard's bill to create a North Central Texas Airport Authority in Tarrant County, which is opposed by Dallas, was passed in the Senate, but the House version ran into a filibuster by Dallas delegation members in the committee hearing.

Bill by Sen. W. T. Moore would authorize Texas A&M to accept James Connally Air Force Base for the state and establish a technical institute.

POLL TAX REPEAL FAILS — Proposed constitutional amendment to abolish the poll tax fell four votes short of getting the necessary two-thirds in the House of Representatives. But measure was kept alive by a parliamentary maneuver.

Rep. Travis Peeler of Corpus Christi is sponsor of the bill.

BUDGET WRITING TOUGH-ER THAN EVER — Appropriations bill conferees failed to make the April 15 deadline set by House Speaker Ben Barnes for completion of their work.

Despite any sharp differences between House and Senate bills, the budget-writing job in general is tougher than ever this year. That's because of creation of new state agencies and transfers of duties — particularly in hospital and water fields — plus impact of federal programs just being evolved on state finances.

LOAN BILL ADVANCED — Legislation which opponents charge would mean the highest interest rates on loans in the nation for Texans received tentative Senate approval 16-14.

Measure by Sen. Jim Bates of Edinburg would allow annual interest rates on installment loans of \$9 per \$100 up to \$6,500. An amendment, finally accepted after strong objection, exempted small loan companies from terms of the bill. Another amendment exempted mortgage loans on real estate.

NON-CITIZEN AID PROPOSED — Proposed constitutional amendment to make old age assistance to non-citizens who have lived in the U. S. for at least 25 years received heavy support in a House committee hearing.

Rep. Joe J. Bernal of San Antonio, sponsor of the bill, said only three other states require citizenship for such assistance. Many thousand long-time Texas residents, who have not qualified for citizenship for such assistance due to language or other barriers, have no income at all today, Bernal told the committee.

COLLEGES GET FEDERAL FUNDS — With \$11,200,000 presently allotted for distribution in federal grants for college construction in Texas, the Texas Commission on

Higher Education already has requests from 24 more colleges and eligibility established for 12 junior colleges.

Applications received amount to an additional \$12,500,000 of construction requests under the 1964 Higher Educational Facilities Act. Grants pay for 40 per cent of the actual cost of new construction for approved college facilities.

RAIN-MAKING STUDY URGED — John T. Carr Jr., weatherman with the Texas Water Commission, says long-range experiments in weather modification should be undertaken in Texas, even though at present conditions do not seem favorable and existing methods are expensive.

Carr says that ideal conditions for rain-making are infrequent in Texas. However, experiments have shown there are effective methods to bring about rain where it would not have fallen naturally and to increase the yield of rain clouds.

SHORT SNORTS — Bill to authorize the Texas Water Development Board to issue \$100,000,000 more in Texas Water Development Bonds was heard by the House Conservation and Reclamation Committee and assigned to sub-committee — George W. Hill, executive director of the Texas State Historical Survey Committee, has resigned effective July 1 to become president of the Southern Heritage Foundation — Governor signed into law these bills:

raising compulsory school attendance age one year to 17; renewal of foreign student exemptions from tuitions in Texas colleges; and providing for election of school trustees by the place system in independent school districts of 500 or more scholastics — Atty. Gen. Waggoner Carr ruled that Hidalgo County cannot pay attorneys appointed to represent indigent defendants in misdemeanor cases because there is no provision in the constitution or the laws which authorizes the commissioners court to do so.

In another opinion Carr concluded a fireman who leaves his job after 20 years service, but before age 55, is not required to contribute percentage of sick leave and vacation pay into firemen's relief and retirement fund — State

PIPER PATER—

Annuals Create Excitement at HHS

By Nancy Ford
Carolyn Reynolds
Marolyn Reynolds

Back from the holidays with talks of Easter egg hunts, parties, and tennis matches, students noisily filled the halls of HHS Tuesday morning. Excitement was high as many brought their beautiful "PIPER" to school. The annuals, handed out Wednesday before the holidays, pass constantly from student to student for signatures.

Mary Lois Patterson and Nancy Ford will be among the 300 Texas girls receiving State FHA Degrees of Achievement at the annual Leadership conference of the Texas Association of Future Homemakers of America. Others attending will be Jan Albritton, Glenda Hudspeth, Mrs. Camille Simmons, and Mrs. LaFoy Patterson. Jan will sing in the All-State Chorus and will try out for the National FHA Chorus.

Glenda Hudspeth, elected president of the FHA Chapter for the 1965-66 school year, will be heading this list of officers next year: Judy Jenkins, vice-president; Cynthia Stephens, secretary; Jane Ferguson, reporter; Sue Roddy, historian; Geneva Ward, parliamentarian; Sharon Hawkins, sergeant-at-arms; Revonna Robertson, pianist; Jan Albritton, song leader.

Enchiladas, tacos, and other spicy Mexican dishes were served to twenty-five members of the Spanish Club Tuesday night at the El Farolito restaurant in Abilene. Accompanying the group were Mr. and Mrs. Newberry, and Mrs.

Chas. Scott, sponsor of the club. This dinner was a highlight of the club's activities this year.

Excitement ran through the shorthand class Tuesday, April 20, as it was learned that Connie Jo Duncan will be going to Region U. I. L. contest, Saturday, April 24. Connie, an alternate, never believed there was any possibility that she would be going. To be in shape for Saturday's contest, Connie must spend many hours in preparation. Other HHS students attending the U. I. L. Region Contest are: Mike Shivers, high jump; Robert Pearce, tennis singles; Danny Contreras, tennis doubles and mile run; Allen Cumbit, tennis doubles; Judy Jenkins, tennis singles; and Jack Townley, persuasive speaking.

"Sell these tickets" were Mr. Jones' words Tuesday, as he issued six tickets to every band member for the annual Parade of Music. The concert, which will be presented May 4, will offer an evening of pleasure for all age groups.

Mrs. I. R. Witt's Brother Dies April 8

Oran A. Dean of Anson, brother of Mrs. I. R. Witt, died in Anson General Hospital April 8 following a heart attack. He and his wife had operated Dean's Jewelers in Anson for 31 years.

Funeral was held April 9 in the First Methodist Church and burial was in Mt. Hope Cemetery.

Survivors include his wife, the former Irene Reeves; three brothers and one sister, Mrs. Witt.

Grand Jury Panel Selected for 104th District Court

Terry Julian Named Rolling Plains Cotton Growers Executive

Terry Julian of Sweetwater and Roscoe, West Texas State graduate and native West Texas, has been named executive vice president of Rolling Plains Cotton Growers, Inc.

He is the first executive officer to serve the 30-county, 21,000-member cotton producer organization that was formed Oct. 26, 1964, at an area-wide cotton meeting in Knox City.

He joined the Rolling Plains Cotton Growers, Inc. after almost two years of service as

office manager for Rolling Plains Compress.

Julian is a native of South Plains, a cotton farming community near Floydada, and has been associated with cotton farming and processing virtually all of his life.

As a freshman at Hardin-Simmons University he was a member of the basketball team and played bass horn in the Cowboy Band. The next fall he worked at the South Plains Cotton Gin to earn tuition and expense money for return to college at West

Texas State University in Canyon. At West Texas, he was a varsity cheerleader and a member of the baseball team. As a senior he was elected one of the "five most popular men on the campus".

In four years of college work, he was graduated as a "Distinguished Military Graduate" and an outstanding senior student. He earned a BS degree in political science, which was designated as a pre-law major in government and history.

After graduation in 1957, Lt. Julian received officer training at Armor School in Fort Knox, and was sent to Germany with the 7th U. S. Cavalry, attached to the 3rd Infantry Division.

He served as a member of a Border Patrol unit between East and West Germany. He was active in Army marksmanship units, being captain of the 7th Cavalry pistol team and was 3rd Division director of the V Corps Le Clerc matches in Wildflecken, Germany. He is especially proud of his 7th Cavalry "Trooper Award" and a 7th Army Citation, earned in 1959 for being the first officer in Europe to fire a perfect score of 400 points on the M-41 Tank range at Belsen-Heone, Germany.

Neinda Philosopher Doubts Radio Broadcasts From Space Indicate A Higher Civilization

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 reacts to the latest claim out of Russia in his letter this week. Dear editor:

You never can tell about something that comes out of Russia, they have their own brands of truth over there and they switch brands twice a

week, but according to an article I read in a newspaper day before yesterday, a couple of Russian scientists believe they have heard radio signals from a planet millions of miles away indicating there's form of "higher civilization" out there, and while the scientists later said it was too early to be sure about these signals, still they're picking up something.

I don't know whether there's a higher form of civilized life somewhere out in space or not and if it's left up to me to go see, man will never find out, but what interests me is the Russians' guess that the radio signals indicated a higher form of civilization.

What I mean is, turn it around. If there are people out in space and they are picking up radio broadcasts from our planet, you reckon they'd interpret what they hear as a higher form of civilization? You really think such people out there would spend billions of dollars building rocket ships to come down to Earth to find out what's making all that noise on radio?

Returning home to Roscoe, he farmed 340 acres of cotton and wheat. During this time he also taught in the Sweetwater schools for two years, earning a permanent primary and secondary teaching certificate. He is a member of Roscoe Baptist Church, the Lions Club and currently belongs to the Southwestern Entomological Assn. and the Southwest Football Officials Assn.

He and his wife, Leona, have two children, Dee, 6, and Dickie, 1.

Terry is an active director of Sweetwater Fair and Livestock Association and recently served as poultry superintendent of the Sweetwater judging contests.

It's my theory that there are intelligent people millions of miles out in space, that they have heard our radio broadcasts, and they're exploring space in the opposite direction. What is there about electric guitar music every fifteen minutes and world wars every fifteen years that'd make a higher form of civilized life want to come down here and get acquainted? Or, what is there about this Johnson grass farm that'd attract a man who had to travel a billion miles to see it? I know lots of people who wouldn't travel 10 miles to see it.

My general theory about space is that if there aren't any intelligent creatures out there, we may reach the point where there's no sense in exploring one barren planet after another, and if there are intelligent creatures out there, let them look me up, provided we haven't ruined the chance by broadcasting to the universe what we're up to down here.

Yours faithfully,
J. A.
